## OUR MISSION

Our goal at STS is to achieve mission-success for our clients in Defense, Homeland, and National Security by dedicating ourselves to the principles of innovation, agility, and excellence. What makes STS unique is our ability to swiftly meet our client's needs while sustaining an organization with global operations and a mature infrastructure to support enterprise, end-to-end solutions. Our solutions maximize best value, mitigate risks, and optimize operational efficiency.

*"STS delivers agile, innovative cyber expertise, support, and solutions to ensure our customers' cyber readiness, deterrence, and response,"* says Program Manager and Cyber Expert, Charles Johnson.
